

Stevens Point's Second Downtown Mural "Market Square"

The mural on Buffy's depicts common activity on the square circa 1910. It is a historic representation of what the market square and Stevens Point residents looked like in that era. A postcard featuring a photo of Stock Fair Day in 1911 served as the inspiration for the mural.

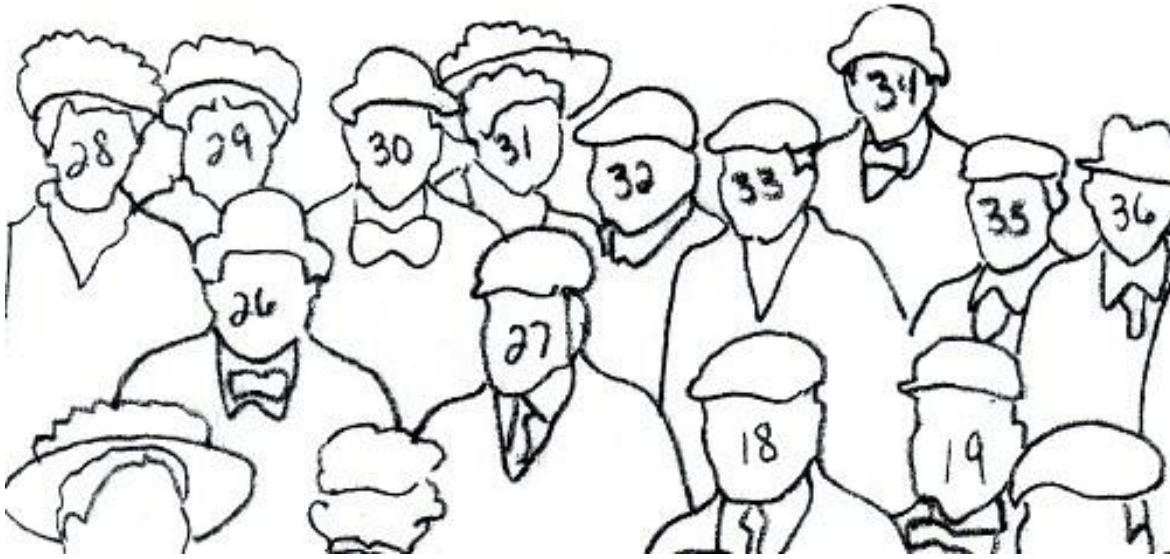

The muralist, Kelly Meredith, started painting in the Spring of 2006 and finished in the Fall just in time for the Annual "Dozynki" (Polish Thanksgiving) Harvest Fest.

The faces of the people on the mural are the faces of actual Stevens Point residents, both past and present, and were copied from photos provided by their friends and family members. Funds raised from the sale of "faces" on the mural helped pay for the project.
