COLLEGE HOCKEY LEAGUE

General Information & Rules

League fees will be \$125.00. This includes ice time, league games, the tournament game, and a jersey which you keep. All fees must be paid in full before the first game. You will not skate if your hockey fees have not been paid. A Jersey fee will be assessed each semester even if a jersey was purchased the semester before.

A signed waiver form on file and helmet and visor (half shield) is required in order to participate in the CHL's non-checking, no slap shot league.

New players are always welcome. Remember: Goalies skate FREE! Players: Goalies for the league are never guaranteed each semester, even offering play for free, we still have a very hard time finding people to goal tend; keep in mind, this is your league. You must also help to recruit people, especially goalies, to make the league successful each semester.

Contact Don at the Willett Ice Arena, 346-1576 dbutkowski@stevenspoint.com for more information.

CHL RULES

- Games will consist of three 15-minute periods using a running clock. The clock will always run straight through each period in all situations (injury, etc).
- The first period of each game will start promptly five (5) minutes after the beginning of the scheduled ice time, thus providing a five (5) minute warm-up before each game.
- If a game score is 2 goals or less in the last 2 minutes we would use a stop clock with each team getting (1) 30 second time out.
- In the event of a tie at the end of the third period, the game will officially end in a tie. Points for wins and ties (2 and 1 respectively) will determine the standings.
- A protective helmet and visor (half shield) must be worn and secured with a chinstrap by ALL CHL players during EVERY CHL game. **Players must provide all their own equipment.**
- NO CHECKING OR SLAP SHOTS ARE PERMITTED. Besides these exceptions, all other normal hockey rules will apply. Any infraction of the above rules will result in an automatic penalty (2 minutes minor, 5 minutes major, etc.) which will be assessed by the referee(s) depending on the severity of the infraction. Penalty time will begin when the puck is dropped after the stoppage.
- Two referees will be provided for each game. All referees' decisions are final. Arguments with referees or other players will not be tolerated since the clock never stops and EVERYONE'S ice time is wasted.
- Players are responsible for keeping Willett Ice Arena locker rooms clean.
- The goal of the league is for everyone to have fun. ALL PLAYERS SHALL HAVE EQUAL ICE TIME.
- Player changes may take place during the semester especially during the first few weeks to equalize teams.
- If team standings are tied after regular season play, the following criteria will be used to determine the final standings going into the play-off week(s).
 - Head to head play
 - Goals For
 - Goals Against
 - Coin Toss
- There are no refunds to CHL players unless you are injured during a CHL contest and have a copy of a doctor's evaluation.
- No player currently playing in the Great Lakes Hockey League may play in the College Hockey League.
- Finally, remember that no registered CHL team or registered CHL player may get a sub/non-registered CHL player because they cannot make a certain game. Your team plays short-handed and that's what makes the league fair and equal on given nights when the underdog can pull off the upset.
- City Ordinance prohibits chewing tobacco or alcohol in the building.
